

Experts Discussed the Future of ETFE Skins at Facades+ LA Conference

October 27, 2017

Walter P Moore experts **Kais Al-Rawi**, **Steve Lewis**, and **Martin Augustyniak (/node/522)** led a workshop focusing on exposing the emerging processes and technologies that are shaping the future of ETFE skins at the recent Facades+ (<http://www.facadesplus.com/>) LA Conference.

Facades+ (<http://www.facadesplus.com/>) Los Angeles was a two-day conference that brought together top professionals from the worlds of design, fabrication, and construction to consider how high performance envelopes contribute to and are shaped by LA's unique architectural landscape.
