The **Tenth Annual BIM Conference: Efficient, Productive, and Profitable Workflows** is being held at the University of Southern California, in Los Angeles, on Friday, July 22<sup>nd</sup>, from 8 am – 5 pm. Over 25 experts will be speaking.

This symposium is absolutely a must for those firms and individuals staying on the leading edge of building information modeling.

Early registration before July 7th is only \$35 (the best BIM bargain anywhere!). After that it is \$95. Go to **usc.edu/esvp** (code: bim2016) to register. Lunch is provided.

The full schedule pdf is also available at <http://arch.usc.edu/bim2016>

I do hope someone is showing PlusSpec for Sketchup. Bim needs to be simple and affordable. Revit isn't the only BIM software available.
